* American Indian tribes had different names and different ways of doing things. They lived in different types of homes. Find the homes of four Indian tribes hidden in the picture. Use the clues below the picture to color each Indian home the correct color.

1. I am a Seneca. I live with my relatives in a longhouse. Our house is made from trees and tree bark. Color my home yellow.
2. I am a Hopi. My house is made of mud and rocks. Color my home brown.
3. I am a Sioux. My house is a tepee. Our tepees are made by putting buffalo skins around poles. Color my home red.
4. I am a Chinook. We build our homes from large trees that grow near where we live. Color my home blue.

Name: _____

All About You

Long ago, the Plains tribes painted pictures on tepees. The pictures told about the people who lived there.

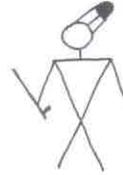

Pick some of the pictures below that tell about you. Draw them on the tepee.

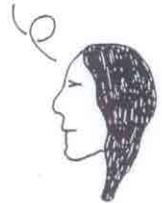

smart

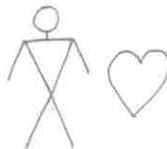

beautiful

leader

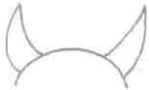

silly

kind

noisy

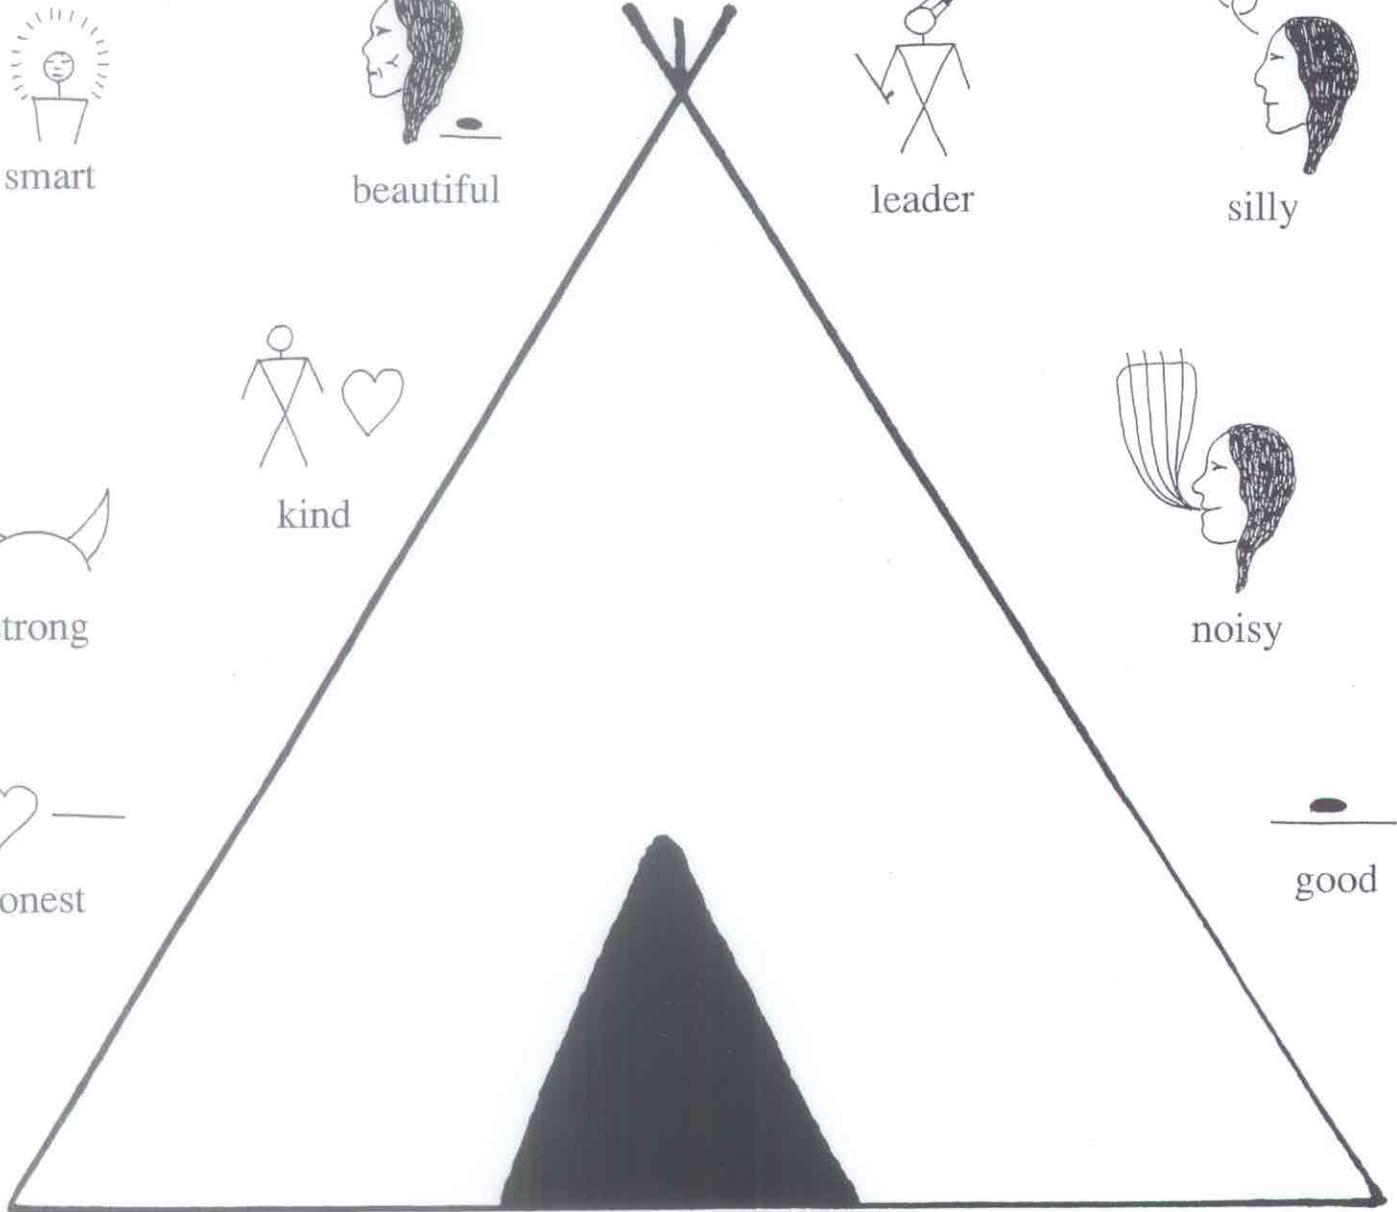

strong

honest

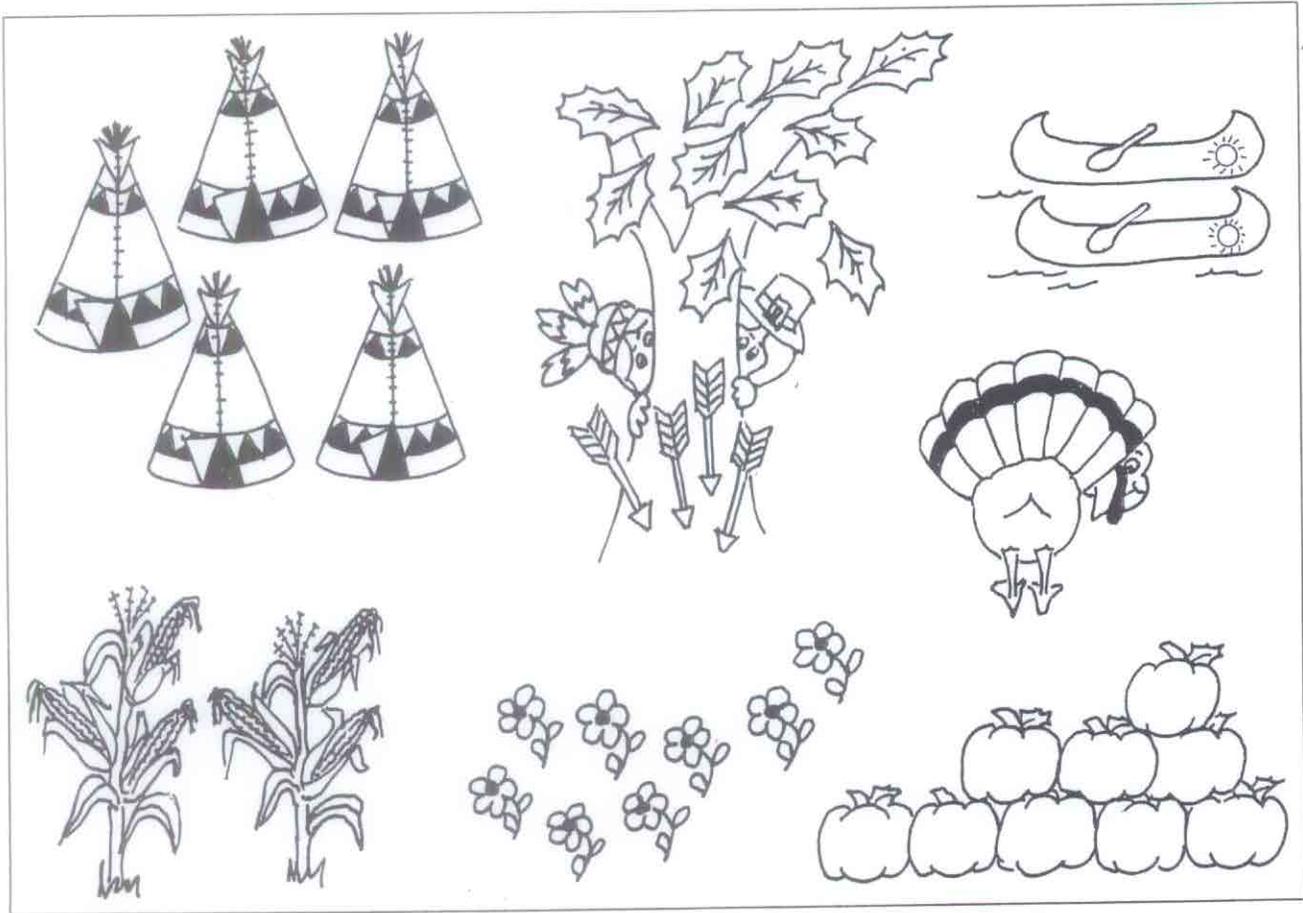

good

Make up your own pictures to tell more about yourself. Draw those pictures on the tepee, too.
