

How To Calculate Free/Reduced Lunch Eligibility

School Year 07-08

1. Find total household size column. (This is everyone who physically resides in your home).
2. Add up the total household monthly income. This includes all earned income for every family member. This includes, but is not limited to BAS, incentive pay, alimony, child support, dividends, and annuities. (You do not count BAH)
3. Move across to the "monthly income" columns. Your household must earn this amount or less to qualify for the 07-08 school year.
